OTHER REQUIREMENTS

• Every student is required to complete training logs. Many of the modules can be completed while taking the BIO 520 course. Please contact the Forensic Sciences Concentration Chair for additional information.

• Students are also required to start the Training Case Record Form after their first year and/or after taking BIO 520, whichever comes first. Please contact the Forensic Sciences Concentration Chair for additional information.

• Forensic Anthropology Society of Europe Level II Certification is strongly recommended but not required- costs associated with this exam are the student’s responsibility.
