# Engineering Management (MR)

# **Degree Requirements**

| •                     | •   |   |       |                |
|-----------------------|---|---|-------|----------------|
| Code                  | Title   | ŀ | Hours | Counts towards |
| <b>Required Cours</b> | es  |   | 15    |                |
| ISE/OR 501            | Introduction<br>to Operations<br>Research                                       |   |       |                |
| Select one of the     | following courses:  |   |       |                |
| ST 513                | Statistics for<br>Management and<br>Social Sciences I                           |   |       |                |
| ST 515                | Experimental<br>Statistics for<br>Engineers I                                   |   |       |                |
| ST 516                | Experimental<br>Statistics For<br>Engineers II                                  |   |       |                |
| ST 517                | Applied Statistical<br>Methods I  |   |       |                |
| ST 518                | Applied Statistical<br>Methods II   |   |       |                |
| Select one of the     | following courses:  |   |       |                |
| EM/EGR 501            | Engineering<br>Leadership and<br>Strategic Change                               |   |       |                |
| COM 530               | Interpersonal<br>Communication<br>in Science and<br>Technology<br>Organizations |   |       |                |
| COM 527               | Seminar in<br>Organizational<br>Conflict<br>Management                          |   |       |                |
| COM 556               | Seminar In<br>Organizational<br>Communication                                   |   |       |                |
| Select one of the     | following courses:  |   |       |                |
| EM 530                | Project<br>Management   |   |       |                |
| CE 561                | Construction<br>Project<br>Management   |   |       |                |
| EGR 590               | Special Topics<br>in Engineering<br>(Engineering<br>Project<br>Management)      |   |       |                |
| BUS 554               | Project<br>Management   |   |       |                |
| Select one of the     | following courses:  |   |       |                |

| ISE 510          | Applied<br>Engineering<br>Economy                              |    |  |
|------------------|--|----|--|
| EGR 505          | Managerial<br>Finance for<br>Engineers                         |    |  |
| CE 567           | Risk and<br>Financial<br>Management in<br>Construction         |    |  |
| Elective Courses |  | 15 |  |
| courses appr     | mum of five elective<br>oved in conjunction<br>lemic committee |    |  |
| Total Hours      |  | 30 |  |
| Total Hours      |  | 30 |  |
| Faculty          |  | 30 |  |
|                  |  | 30 |  |

# **Full Professors**

Sebastian Heese , Owens Distinguished Professor of Supply Chain Management John Baugh, Professor Joseph DeCarolis, Professor Jingyan Dong, Professor Yahya Fathi, Professor Ola Harrysson, Edward P. Fitts Distinguished Professor Jessica Jameson, Professor Edward Jaselskis, E.I. Clancy Distinguished Professor Russell King, Foscue Distinguished Professor Yuan-Shin Lee, Professor Maria Mayorga, Professor Rohan Shirwaiker, James T. Ryan Professor Daowen Zhang, Professor

## **Associate Professors**

Karen Chen, Associate Professor

Adolfo R. Escobedo, Associate Professor

Michael Kay, Associate Professor

Tim Kraft, Associate Professor of Operations and Supply Chain Management

Select one of the following courses:

#### 2 Engineering Management (MR)

Osman Ozaltin, Associate Professor of Personalized Medicine

Daniel Saloni, Associate Professor

Jeffrey Stonebraker , Associate Professor of Operations and Supply Chain Management

Hong Wan, Associate Professor

Don Warsing, Associate Professor of Operations and Supply Chain Management

### **Assistant Professors**

Xiaolei Fang, Assistant Professor

Leila Hajibabai, Assistant Professor

#### Associate Research Professor

Christopher D. Rock, Associate Research Professor

#### **Associate Teaching Professor**

Meagan Kittle Autry, Associate Teaching Professor

S. Sebnem Ahiska King, Teaching Associate Professor

Fred Livingston, Associate Teaching Professor

Kanton Reynolds, Associate Teaching Professor

# **Teaching Assistant Professor**

Nur Ozaltin, Teaching Assistant Professor

#### **Professor of the Practice**

Doug Morton, Professor of the Practice

James Rispoli, Professor of the Practice

Michael Spano, Professor of Practice

#### **Emeritus Faculty**

Javad Taheri, Associate Research Professor Emeritus

# Associate and Adjunct Faculty

Edwin Addison, Adjunct Professor

#### Lecturers

Steven DelGrosso, Lecturer

Dan Harris, Lecturer

Dan Kempton, Adjunct Lecturer

Robert Nunez, Lecturer
