1. “Depth Area Courses” must be a minimum of two courses in life sciences management, entrepreneurship, finance, innovation management, marketing, or operations.
2. “Analytics / Quantitative Course” must be at least one course that builds upon the core statistics course. Offerings include electives in: applied statistics, finance, information technology, marketing, and operations.
3. “Practicum Course” is a semester-long course where students serve as a consulting team for an actual organization. Offerings include: applications in analytics, consulting, entrepreneurship, finance, marketing, product innovation, operations and supply chain, and risk management.
4. “Elective Courses” may include any graduate course in the Poole College of Management; courses outside the College must be approved by the academic director of the NC State MBA.
