

Art and Design (Minor)

To see more about what you will learn in this program, visit the Learning Outcomes website (<https://apps.oirp.ncsu.edu/pgas/>)!

The Department of Art + Design believes that there is an essential need for students in the broader university to engage in coursework that fosters creative thinking, problem-solving, and making. To meet this need, the department offers an undergraduate minor in Art + Design, available to university students in majors offered outside of the College of Design. The minor in Art + Design consists of 15 total credit hours of study, of which 6 hours must be satisfied at the basic course level. The remaining 9 hours of courses may be selected from the elective course list provided below. A grade of "B" or better will be required for credit in all courses in the minor. Although all efforts are made to accommodate minors, it is important for potential students to know and understand that access to Art + Design courses are based on a hierarchy where priority access goes to Art + Design majors.

Program Objectives

- To discover basic art + design principles through hands-on activities
- To apply art + design process and theory to solve problems creatively and efficiently
- To increase awareness of one's self and environment
- To foster an appreciation and understanding of the disciplines of art and design

Admissions

Admissions into this minor program requires that the student be in good academic standing at the university with a minimum overall GPA of at least 2.0. Students must also complete all Art + Design minor courses with a grade of 'B' or better. To officially add or drop the Art + Design Minor, students must complete the "Declare Minor Form" form that is available online here (https://studentservices.ncsu.edu/forms/registrar/declare_minor.pdf). After completing the "Declare Minor Form", students should bring it to the College of Design Department Heads Suite that is located in Brooks Hall 215.

² The completion of the minor degree requires successful completion of three of the electives listed below. Electives are not offered every semester. It is the student's responsibility to plan their course schedule accordingly.

Certification

The minor must be completed no later than the semester in which the student expects to graduate from his or her degree program. Students must contact the Art + Design minor advisor to check that all minor degree requirements have been met. If they have met, the student can apply for their minor degree in the MyPack online portal at the same time that they apply for graduation their final semester at NC State.
