

Italian Studies (Minor)

To see more about what you will learn in this program, visit the Learning Outcomes website (<https://apps.oirp.ncsu.edu/pgas/>)!

The objective of the minor in a foreign language is to enable students majoring in any field to acquire proficiency in a second language, understanding the culture, and knowledge of the countries in which the language is spoken.

Admissions

Application for admission to any University minor program is now available via MyPack Portal. Information about requirements for adding a minor is available on the Student Services Center website (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>).

Questions regarding a student's minor plan of study should be directed to the Italian Studies Minor Coordinator.

Certification

Students should complete their course work according to their minor degree audit, and the minor requirements (<http://catalog.ncsu.edu/undergraduate/humanities-social-sciences/foreign-languages-literatures/italian-studies-minor/>). Students should declare the minor no later than during the registration period for the student's final semester at NC State. Students contact the Coordinator of Advising, Professor Susan Navey-Davis once they have completed all of their courses for the minor, or during the registration period for the student's final semester at NC State, in order to complete the final certification of the minor. Students will receive official recognition on their transcripts for the completed minor.
