

International Studies (Minor)

The International Studies Minor is offered to all students in the University who want to add a significant international dimension to their departmental majors. This minor program enables students to explore international topics, issues and research from cross-cultural, transnational perspectives. The program will provide some tools that students can use to understand better the global context of the modern world and to learn the international dimensions of their chosen fields of study.

Admissions

To be admitted to the program, a student must have a GPA of at least 2.0. Application for admission to any University minor program is now available via MyPack Portal. Admission will be based upon the student's academic record, and in most cases no longer requires departmental review. Go to Add a Minor (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>) to apply. Students interested in pursuing the International Studies minor should contact the person listed below.

Certification

Prior to the end of the first week of the student's final semester, the student must sign the application form, indicating all grades received for the courses completed in the minor program and the courses to be taken during the student's final semester. Also, the form must indicate that the student has completed or is completing the foreign language requirement, which is FLx 202. The contact person below will certify the completion of the minor.
