

Jewish Studies (Minor)

The undergraduate minor in Jewish studies treats the history, religious traditions, culture, language, and literature of the Jewish people. Students in this interdisciplinary program will have the opportunity to deepen their understanding and appreciation of Judaism from a wide range of academic disciplines, including Religious Studies, History, Language, Literature, and Film Studies.

Admissions

To be admitted to the program, a student must have a GPA of at least 2.0. Application for admission to any University minor program is now available via MyPack Portal. Admission will be based upon the student's academic record, and in most cases no longer requires departmental review. Go to Add a Minor (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>) to apply.

Certification

The minor must be completed no later than the semester in which the student expects to graduate from his or her degree program. Students will receive official recognition on their transcripts for the completed minor.
