Economics (Minor)

To see more about what you will learn in this program, visit the Learning Outcomes website (https://apps.oirp.ncsu.edu/pgas/).

The Department of Economics offers an undergraduate Minor in Economics to all undergraduate majors outside the Department of Economics. The Minor in Economics is designed to help students develop a basic understanding of the principles and applications of economics. By pursuing this minor the student will: develop an understanding of microeconomic and macroeconomic theory and the role of markets; understand the effects of government regulation and policy on economic behavior; learn to apply economics to contemporary social and market issues; and develop analytical skills.
