

Department of Textile and Apparel, Technology and Management

The Department of Textile and Apparel, Technology and Management (TATM) offers Bachelor of Science degrees in Fashion and Textile Management, and in Fashion and Textile Design. Students in the B.S. in Fashion and Textile Management specialize in one of two concentrations: Brand Management and Marketing (<https://textiles.ncsu.edu/academics/undergraduate/brand-management-and-marketing/>), or Fashion Development and Product Management (<https://textiles.ncsu.edu/academics/undergraduate/fashion-development-and-product-management/>). Students in the B.S. in Fashion and Textile Design degree choose a concentration in Fashion Design (<https://textiles.ncsu.edu/academics/undergraduate/fashion-design/>) or Textile Design (<https://textiles.ncsu.edu/academics/undergraduate/textile-design/>).

All of these programs equip students with an interdisciplinary foundation of business and material science knowledge needed to give them a leg up in the job search. The department's programs build on strong global industry partnerships to prepare future industry leaders.

Department Highlights:

- Earn your master's degree in five years through our Accelerated Bachelor's to Master's program.
- Build your portfolio and gain hands-on experience in one of our nearly 70 cutting-edge studios and labs.
- Apply for one of our college-specific scholarships, up to \$95,000 over four years.
- Study abroad with our recommended programs in the Czech Republic, France, Italy and the U.K. designed to keep you on track to graduate on time.

For more information about our department, including contact information, visit our website (<https://textiles.ncsu.edu/tatm/>).
