

Textile Technology (Minor)

Note: Students should be aware that some of these courses have prerequisites. Permission to waive prerequisites must be obtained from the course instructor after evaluation of student's academic background.

The Department of Textile Engineering Chemistry and Science offers students the opportunity to minor in Textile Technology. Undergraduate students enrolled in all programs at NC State University are eligible to take this minor.

The minor allows students to explore the principles of textile technology and develop technical textile products. Students also have the opportunity to use textile technology facilities as part of the minor.

Admissions

Students seeking to pursue the Textile Technology minor should contact the TECS Director of Undergraduate Programs. To be admitted to the program, a student must have a GPA of at least 2.0.

Application for admission to any university minor program is now available via MyPack Portal. Admission will be based upon the student's academic record, and in most cases no longer requires departmental review. Go to Add a Minor (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>) to apply

Plan Requirements

- A total of 16 credit hours are required for the minor.
- A grade of 'C-' or better is required in all courses to be used towards this minor.

Code	Title	Hours
Required Courses		
TT 105	Introduction to Textile Technology	3
TMS 211 or TE 201	Introduction to Fiber Science Fiber Science	3-4
TT 327	Yarn Production and Properties	4
Elective Courses		
Select two of the following: ¹		6
TT 404	Introduction to Nonwovens Products and Processes	
or TT 305	Introduction to Nonwoven Products and Processes	
TT 341	Knitted Fabric Technology	
TT 351	Woven Products and Processes	
Total Hours		16

¹ Elective courses should be selected after consultation with the minor advisor.
