

# Leadership: Cross Disciplinary Perspectives (Minor)

To see more about what you will learn in this program, visit the Learning Outcomes website (<https://apps.oirp.ncsu.edu/pgas/>)!

The Leadership: Cross Disciplinary Perspectives minor is a 15-hour minor that is designed for students who seek to gain greater knowledge and understanding of leadership perspectives from a variety of academic fields of study. The coursework is composed of courses grounded in theory, inquiry, and application. The student has the opportunity to select the specific courses which best fulfill his/her needs while maintaining a broad perspective on leadership across fields of study. The student in the minor may be preparing for graduate work or any field of study within the university.

## Admissions

Students are required to meet with the contact person for the minor to discuss expectations established for the Leadership: Cross-Disciplinary Perspectives minor and complete an application form.
