Civil Engineering (PhD)

Degree Requirements
Students may choose from the specializations below to complete coursework within a focus area.

Degrees earned will be distributed as: “Doctor of Philosophy in Civil Engineering” without specialization specifications.

- 54 graduate credit hours beyond master’s
- Areas of Specialization
  - Computing and Systems
  - Construction Engineering
  - Environmental, Water Resources, and Coastal Engineering
  - Geotechnical/Geoenvironmental Engineering
  - Mechanics and Materials
  - Structural Engineering and Mechanics
  - Transportation Materials and Systems
