</tbody>
</table>

Analytics / Quantitative Course

"Analytics / Quantitative Course" is approved in conjunction with the academic committee.

Practicum Course

"Practicum Course" is approved in conjunction with the academic committee.

Elective Courses

"Elective Courses" are approved in conjunction with the academic committee.

Total Hours 54

1. "Concentration Area Courses" must be a minimum of 12 credit hours in entrepreneurship, finance, innovation management, marketing, or operations.

2. "Analytics / Quantitative Course" is a minimum of one course that builds upon the core statistics course. Offerings include electives in applied statistics, finance, information technology, marketing, and operations.

3. "Practicum Course" must be a minimum of one course semester-long course where students serve as a consulting team for an actual organization. Offerings include applications in analytics, consulting, entrepreneurship, finance, marketing, product innovation, operations and supply chain, and risk management.

4. "Elective Courses" may include any graduate course in the Poole College of Management; courses outside the College must be approved by the academic director of the NC State MBA.
