

# History (Minor)

---

The minor in History provides additional breadth and depth of study to a variety of majors. The study of history provides understanding of historical background and context, along with experience in research, analysis, and writing. For example, students majoring in political science but with a special interest in the Middle East or Europe can gain a much deeper understanding of how events in the past have shaped present dilemmas. Likewise, those wishing to attend law school can choose from a range of courses in legal history. Students can tailor the course selection in the Minor to suit individual interests.

To be admitted to the program, a student must have a GPA of at least 2.0. Application for admission to any University minor program is now available via MyPack Portal. Admission will be based upon the student's academic record, and in most cases no longer requires departmental review. Go to Add a Minor (<https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/>) to apply.

For more information about the program, please see the Advisor to the Minor.
