Sociology (Minor)

The sociology minor emphasizes sociological theory and research with substantive applications. The minor builds on theory and methodology and allows students flexibility in the choice of sub-disciplines such as criminology, stratification, demography, social psychology, race and ethnic relations, or the family. No courses for the minor may be taken for S/U credit.

Admissions

To be admitted to the program, a student must have a GPA of at least 2.0. Application for admission to any University minor program is now available via MyPack Portal. Admission will be based upon the student’s academic record, and in most cases no longer requires departmental review. Go to Add a Minor (https://studentservices.ncsu.edu/your-degree/coda-home/add-a-minor/) to apply. Declaring a minor early will help ensure you have access to courses that may restrict seats to departmental majors and minors. Should students wish to transfer a course from another institution toward the minor, they should consult Jenny Rasch, advisor for the minor.

Certification

The minor should be declared as soon as the student makes the decision to pursue a minor. Minor coursework must be completed no later than the semester in which the student expects to graduate from his or her degree program. Paperwork to declare the minor can be found outside room 334B in the 1911 Building and should be completed no later than the registration period for the student’s final semester at NC State. Students should see the person listed below for certification of the minor.
